Re: Response to Public Records Request dated March 19, 2019

Dear Dr. Rudolph:

On behalf of Bullis Charter School ("BCS"), we respond to your requests for records made to BCS under the California Public Records Act. Your initial request regarding a separate nonprofit corporation called "Bullis Public Charter School II" was received by BCS on February 15, 2019. BCS responded on February 25, 2019 and asked for clarification to assist you in making a focused and effective request that reasonably describes identifiable records in the possession of BCS. We are in receipt of your letter to BCS dated March 19, 2019 and are still evaluating the additional information provided therein.

The purpose of this letter is to respond to the new request in your March 19, 2019 letter for a copy of the BCS charter, bylaws, and articles of incorporation. Those records are publicly available via the BCS website at the following link: http://www.bullischarterschool.com/accountability_data/.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Merrick Wadsworth".

Merrick Wadsworth
